State of Florida Affidavit for Home Schooled Programs

Home School Class Schedule 24 Standard Credit

OUR TRADITIONAL 24-CREDIT PROGRAM

This program requires students to take 24 credits in subject areas THAT ARE REQUIRED BY THE DEPARTMENT OF EDUCATION such as English, mathematics, science, social studies, practical reading, and comprehension skills. This program offers students the chance to take the credits needed to participate in any community college or technical school. Our program has the requirements to enter the military and at the same time have the flexibility to take the academic courses and meet college/university entrance requirements. Foreign language credit is not required for this program, although it is recommended for community college preparation and is required for admission to Florida's state universities.

Our Focus

Our academic program focuses on the traditional educational methodologies, which are the requirements of the State of Florida educational system accredited by advanced council for home schooled student. The student can prepare themselves with the required in specified courses in order to maintain a cumulative grade point average of a 3.0 on a 4.0 scale with a grade that will earn at least a 3.0 or its equivalent required credits for the college preparatory program. The credits required by this program must satisfy the minimum standards for admission into Florida's, community colleges and technical schools or state universities.

CAREER PREPARATORY PROGRAM

Our home school educational Program is designed to prepare students for the entrance into a technical center or community college, so that the student can also enter into the workforce.

CHOOSING A PROGRAM FOR POST-SECONDARY EDUCATION

Students who selected our educational program will find that this program is the opportunity of a life time. The student will select the program that will best prepare his or her postsecondary education or career plan after completing this home school course accredited by advance ed.

K-20 EDUCATION CODE ARTICULATION AND ACCESS

1007.263 Florida College System institutions; admissions of students.—Each Florida College System institution board of trustees is authorized to adopt rules governing admissions of students subject to this section and rules of the State Board of Education.

These rules shall include the following:

(1) Admissions counseling shall be provided to all students entering college or career credit programs. Counseling shall utilize tests to measure achievement of college-level communication and computation competencies by all students entering college credit programs or tests to measure achievement of basic skills for career programs as prescribed in s. [1004.91](#).

(2) Admission to associate degree programs is subject to minimum standards adopted by the State Board of Education and shall require: (a) A standard high school diploma, a high school equivalency diploma as prescribed in s. [1003.435](#),

Previously demonstrated competency in college credit postsecondary coursework, or, in the case of a student who is home educated, a signed affidavit submitted by the student's parent or legal guardian attesting that the student has completed a home education program pursuant to the requirements of s. [1002.41](#).

Students who are enrolled in a dual enrollment or early admission program pursuant to ss. [1007.27](#) and [1007.271](#) and secondary students enrolled in college-level instruction creditable toward the associate degree, but not toward the high school diploma, shall be exempt from this requirement.

(b) A demonstrated level of achievement of college-level communication and computation skills.

(c) Any other requirements established by the board of trustees.

(3) Admission to other programs within the Florida College System institution shall include education requirements as established by the board of trustees.

State of Florida Affidavit for Home Schooled Programs

(4)A student who has been awarded a special diploma as defined in s. [1003.438](#) or a certificate of completion as defined in s. [1003.43](#)(10) is eligible to enroll in certificate career education programs.

(5)A student with a documented disability may be eligible for reasonable substitutions, as prescribed in ss. [1007.264](#) and [1007.265](#).

K-20 EDUCATION CODE ARTICULATION AND ACCESS

Each board of trustees shall establish policies that notify students about, and place students into, adult basic education, adult secondary education, or other instructional programs that provide students with alternatives to traditional college-preparatory instruction, including private provider instruction. A student is prohibited from enrolling in additional college-level courses until the student scores above the cut-score on all sections of the common placement test.

History.—s. 354, ch. 2002-387; s. 3, ch. 2003-8; s. 96, ch. 2011-5

College Readiness and Developmental Education

A. All first-time-in-college degree-seeking students, regardless of their high school of origin, are required to be assessed for college readiness. Students, who are not college-ready, based on state statutes, are required to enroll in and pass college preparatory classes. Annually reviews the Placement Criteria document that describes the process of demonstrating college readiness and the required placement level in college preparatory courses, based on the scores earned.

B. Admissions to College Credit Programs for the Associate in Arts, Associate in Science, Associate of Applied Science, and College Credit Certificate Programs
